Subject: Blockfi Bankruptcy

CAUTION - EXTERNAL:

I own 5.4 Bitcoin in a wallet account. In my agreement with Blockfi it clearly stated this is my property. Not allowed to be loaned out, used, or controlled by blockfi in anyway of than a custodial agreement. I also own Bitcoin in an interest account. I realize this has been allowed by Blockfi to be used to create an interest situation and has been forfeited. So my question is what is the problem and holdup with allowing me to withdraw my Bitcoin from my wallet account with Blockfi? Why doesn't the judge make a ruling? This is absurd. Do what the agreement clearly states.

I apologize. My previous email didn't include my contact information.
